Houston, TX, May 7, 2009 – Again this year, Houston-based chemical distributor SolvChem, Inc., formerly Solvents and Chemicals, made *Purchasing Magazine's* annual Top 100 Chemical Distributors list. SolvChem ranked at number 41 on this year's list.

Located in Pearland, SolvChem, Inc. is a family-owned, minority-certified business founded in 1981. The company is a full-line distributor of top-grade organic and inorganic chemicals, with capabilities ranging from custom blending to specialty contract packaging. With facilities in Texas, Louisiana, and Southern California, SolvChem services the petrochemical, paint and coatings, food and beverage, adhesives, military, compounding, oil and gas, ink, and semi-conductor industries both domestically and internationally.

SolvChem, Inc. is a division of Sempre Avant LLC, which also includes Houston-based consumer products company Packaging Service Co., Inc.
